

Dear Parent/carer

In order to protect all children attending both the Pre-School and Lydiard Millicent Primary School, driving up the lane (The Butts) to school is strictly forbidden.

The school do have parking spaces for those who have a blue parking badge.

The school car park is for staff only & visitors of the school. Please note that the verges on the side of the lane are private property and are not to be used as alternative parking arrangements.

Parents of pre-school children – as well as those at the school – are requested to park in the Parish Hall car park (except Wednesdays) or at the Sun Inn Pub.

Parking is not permitted in the bus bay at the bottom of the lane. This area is for dropping off and picking up **only**. Parking on the main road adjacent to The Butts is not recommended as it reduces visibility for other drivers and causes both accidents and traffic jams.

We apologise for the constant reminders of this issue, but the fact that some people are ignoring restrictions is jeopardising the future of the Pre-school – we are dependent on the good-will of the school.

Please note, that in taking up a pre-school place for your child you agree to abide by the rules of the pre-school, and parents/carers who persistently flout the rules, including the issue of driving down the lane and/or parking in the bus bay, may be asked to remove their child from pre-school.

Thank you for being considerate.

Lydiard Millicent Pre-School Committee.
